The United States hereby moves the Court for an order partially unsealing, the Indictment. The United States requests that the Indictment be only partially unsealed to reflect the names of only the defendants who have been apprehended thus far for use in their initial appearance before the Magistrate. The United States further requests that they be permitted to redact the names of defendants who have not yet been apprehended. The United States believes that disclosure of the entire Indictment may cause the subjects of the indictment who have not yet been apprehended to flee, destroy evidence and/or make efforts to conceal on-going criminal
